Sojourners and Strangers - Gregg R. Allison 2012-11-30
What is a church? This can be a difficult question to answer and Christians have offered a variety of perspectives. Gregg Allison thus explores and synthesizes all that Scripture affirms about the new covenant people of God, capturing a full picture of the biblical church. He covers the topics of the church's identity and characteristics; its growth through purity, unity, and discipline; its offices and leadership structures; its ordinances of baptism and the Lord's Supper; and its ministries. Here is a rich approach to ecclesiology consisting of sustained doctrinal reflection and wise, practical application. Part of the Foundations of Evangelical Theology series.

A Practical Primer on Theological Method - Glenn R. Kreider 2019-09-03

A "how-to" manual for doing theology, and a handbook of etiquette for doctrinal discussions with other believers. Around a table sit men and women with distinct roles: The Interpreter, the Theologian, the Virtuous, the Philosopher, the Scientist, the Artist, the Minister, and the Historian. Each is ready to engage in a passionate discussion centered on God, his works, and his ways. Regardless of which role you play at the same table, you're invited. You simply need to pull up a chair and join the conversation. But how? What do you say when you take your seat? Where do you start? What are the "rules" of the dialogue? A Practical Primer on Theological Method will help you answer these questions. This primer is not only a "how-to" manual for doing theology, but a handbook of etiquette for doctrinal discussions with other believers. This popular-level introductory text presents the proper manner, mode, and means of engaging fruitfully in theology.

Doctrine - Mark Driscoll 2011-09

A comprehensive and accessible resource that helps believers clarify and articulate their beliefs and provides seekers with a solid introduction to Christianity's central doctrines. Now in paperback.

When Life and Beliefs Collide - Carolyn Custis James 2002-11

A book that calls us to be a composite of two women-- Mary and Martha--who take time to know Jesus better and whose theology informs and emboldens their ministries to others.

In the Shadow of the Cross - Glenn Penner 2021-08

The Bible is full of examples of persecution for those who follow God in faithfulness and obedience. From Abel to the prophets, from John the Baptist to the disciples, the men and women who testified to the Truth endured suffering and trials for their godly witness. In the Shadow of the Cross explores suffering and persecution throughout the entire Bible, including observations and studies from nearly 200 Christian scholars, both ancient

and modern. It is one of the most thorough biblical studies of persecution available today, a valuable resource for every student of the Bible.

Introducing Theological Interpretation of Scripture - Daniel J. Treier 2008-07-01

Theological interpretation of Scripture is a growing trend in biblical interpretation, with an emphasis on the contexts of canon, creed, and church. This approach seeks to bridge the gap between biblical studies and theology, which grew wide with the ascendancy of critical approaches to Scripture. Introducing Theological Interpretation of Scripture is the first clear, systematic introduction to this movement for students. The book surveys the movement's history, themes, advocates, and positions and seeks to bring coherence to its various elements. Author Daniel Treier also explores what he sees as the greatest challenges the movement will have to address as it moves into the future. This helpful book is appropriate for pastors and lay readers interested in biblical interpretation.

A Theology of James - Christopher W. Morgan 2010

Sound Doctrine - Bobby Jamieson 2013-04-30

How do you feel about doctrine? Whatever answer comes to mind, this book will not only convince you that sound doctrine is vital for living a godly life, it will also explain the essential role of theology in the life of a healthy church. Thinking rightly about God affects everything, from guiding us in practical issues to growing a church's unity and witness. This short, readable book shows how good theology leads to transformation, life, and joy. Part of the 9Marks: Building Healthy Churches series.

Why Small Groups? - C. J. Mahaney 1996

Do you want to get on the fast track to Christian maturity? Small groups provide the ideal context for working out our salvation together. Whether you attend a small group or lead one, this book will raise your vision and inspire you to excel in the areas of service to which God has called you. And if you don't attend a small group? All the more reason you may want to read Why Small Groups? and let it change your life. The authors are all pastors from various Sovereign Grace Ministries churches.

Systematic Theology - Wayne A. Grudem 2009-05-18

The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling Systematic Theology has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone,

appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies.

Counted Righteous in Christ? - John Piper 2002-11-15
Are Christians merely forgiven, or do they possess the righteousness of Christ? Recently the time-honored understanding of the doctrine of justification has come under attack. Many question how-or if-we receive the full righteousness of Christ. Martin Luther said that if we understand justification "we are in the clearest light; if we do not know it, we dwell in the densest darkness." And now, in this new and important book, John Piper accepts Luther's challenge. He points out that we need to see ourselves as having been recipients of the imputation of Christ's righteousness and therefore enjoy full acceptance with God and the everlasting inheritance of life and joy. Piper writes as both a pastor and a scholar. His pastor's heart is shown in his zeal for the welfare of the church. His careful scholarship is evident in each explanation and undergirds each conclusion.

Evangelical Feminism and Biblical Truth - Wayne Grudem 2012-11-30

What does the Bible really teach about the roles of men and women? Bible scholar Wayne Grudem carefully draws on 27 years of biblical research as he responds to 118 arguments often levied against traditional gender roles. Grudem counters egalitarian and feminist critiques with clarity, compassion, and precision, showing God's equal value for men and women while celebrating the beauty in their differences.

Renewing the Center - Stanley James Grenz 2006
The second edition of this important foundational text for the emerging church includes a new foreword by Biran McLaren and a new afterword from John Franke updating the book for the contemporary church scene.

A Peculiar Glory - John Piper 2016-03-16
God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

The Doctrine of the Word of God - John M. Frame 2010
'The Word of God' is a multi-faceted concept. God speaks but Word is one of Jesus's names. God's personal communications take other forms, through prophets, apostles, and the written Word. Frame investigates them all. --from publisher description

Systematic Theology - John M. Frame 2013
A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

Family-Based Youth Ministry - Mark DeVries 2010-08-20
Mark DeVries offers an approach that brings teens into one-to-one relationship with older Christians; involves the whole church family from singles to seniors; and frees pastors and leaders from worrying about attendance, budget and competition with other programs.

CBMW News - 1995

He Shall Have Dominion - Kenneth L Gentry 2021-02-22
In this edition of this classic study of postmillennialism, you will sense anew the powerful message of Psalm 72 that Christ "shall have dominion from sea to sea" (Psa 72:8). You will learn that God's word boldly promises that "the whole earth will be

filled with his glory" (72:19) so that "all nations will call him blessed" (72:17) - before Christ returns. Many evangelicals today are concerned about those being Left Behind on this Late Great Planet Earth as it collapses into absolute chaos. But the postmillennialist optimistically believes regarding Christ that He Shall Have Dominion throughout the earth. In this book you will find the whole biblical rationale for the postmillennial hope, from its incipient beginning in Genesis to its glorious conclusion in Revelation. Your faith will be re-invigorated as you begin to recognize that "the gospel is the power of God unto salvation" (Rom 1:16) and that our Lord Jesus really meant it when he commanded us to "go and make disciples of all the nations" (Matt 28:19).

New Dictionary of Biblical Theology - T DESMOND ALEXANDER 2020-05-21

In recent years our knowledge of the individual parts of the Bible has increased greatly, but our understanding of how they fit together has not kept pace. In particular, the relationship between the Old and New Testaments has been a neglected field of study. The latest in IVP's developing family of New Dictionaries, the 'New Dictionary of Biblical Theology' is an essential tool for students, preachers and ministers, as well as for scholars and others seeking a better grasp of the Bible's teaching. The aim of this prestigious dictionary is to integrate the various biblical books and themes into the overarching story of the Scriptures. The volume embodies three perspectives on biblical theology, which are reflected in its structure.

The Dictionary of Historical Theology - Trevor A. Hart 2000

Major reference work on key figures in the history of the church and their theology.

Strange Fire - John F. MacArthur 2013-11-19
In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Trinitarian Theology and Power Relations - M. Minister 2014-11-06

This text crafts a trinitarian theology that reorients theology from presumptions about the immateriality of the Trinity toward the places where the Trinity matters—material bodies in historical contexts and the intersecting ways political and theological power structures normalize and marginalize bodies on the basis of material difference.

Beyond the Bounds - John Piper 2003-01-30
"Everyone who believes in God at all believes that He

knows what you and I are going to do tomorrow." –C. S. Lewis This understanding of God's foreknowledge has united the church for twenty centuries. But advocates of "open theism" are presenting a different vision of God and a different view of the future. The rise of open theism within evangelicalism has raised a host of questions. Was classical theism decisively tainted by Greek philosophy? How should we understand passages that tell us that God repents? Are essentials of biblical Christianity—like the inerrancy of Scripture, the trustworthiness of God, and the Gospel of Christ—at stake in this debate? Where, when, and why should we draw new boundaries—and is open theism beyond them? *Beyond the Bounds* brings together a respected team of scholars to examine the latest literature, address these questions, and give guidance to the church in this time of controversy. Contributors include: John Piper Wayne Grudem Michael S. Horton Bruce A. Ware Mark R. Talbot A. B. Caneday Stephen J. Wellum Justin Taylor Paul Kjoss Helseth Chad Brand William C. Davis Russell Fuller "We have prepared this book to address the issue of boundaries and, we pray, bring some remedy to the present and impending pain of embracing open theism as a legitimate Christian vision of God. . . . As a pastor, who longs to be biblical and God-centered and Christ-exalting and eternally helpful to my people, I see open theism as theologically ruinous, dishonoring to God, belittling to Christ, and pastorally hurtful. My prayer is that Christian leaders will come to see it this way, and thus love the church by counting open theism beyond the bounds of orthodox Christian teaching." –From the Foreword by John Piper

40 Questions About Calvinism - Shawn D. Wright
2019-04-30

In *40 Questions About Calvinism*, church historian Shawn Wright tackles many issues about the theological system known as Calvinism. Taking an irenic approach, Wright explains the key doctrines while also contrasting them with Arminianism. The accessible format allows readers to easily look up topics in which they're most interested, including: • What is the difference between Calvinism and the Reformed tradition? • Does God love all people? • Did Jesus die for the sins of the whole world? • Can people resist the Holy Spirit? • Do Calvinists practice evangelism and missions? "Here is a book to put into the hands of such inquirers whose understanding of Calvinism may have been formed by those who caricature it. The fact that each chapter is a question helps readers go straight to the issue that is dogging them." –Conrad Mbewe, Kabwata Baptist Church, Lusaka, Zambia "If you are a non-Calvinist seeking answers about Calvinism, you will find a clear and winsome presentation of the position, as well as a response to some key criticisms. If you are a Calvinist looking for a model of how to talk about these things with non-Calvinists, then you will find a helpful and humble model for explaining the Calvinist position and its points of disagreement with Arminianism, in a fair-minded, evenhanded way." –Ligon Duncan, Reformed Theological Seminary

Old Testament Exegesis - Douglas K. Stuart 2001-01-01
In this completely updated revision of an extremely successful book, Stuart provides a step-by-step guide to writing an exegetical paper on the Old Testament. This book takes into account the latest advances in methodology as well as resources. Illustrations.

Elenchus of Biblica - Robert North 1997

Recovering Biblical Manhood and Womanhood (Revised Edition) - John Piper 2021-01-11

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the

church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

"I Believe" - Alister McGrath 1998-06-19

Alister McGrath unpacks the content of the Apostles' Creed and introduces us to the essential truths about God the Father, the person and work of Jesus Christ, and the Holy Spirit.

Systematic Theology Workbook - Wayne A. Grudem
2020-12-08

This workbook accompanies Wayne Grudem's bestselling *Systematic Theology* and features student-friendly review material and exercises.

50 Core Truths of the Christian Faith - Gregg R. Allison
2018-02-06

Those looking for a single resource that collects clear teachings on the most important doctrines of Christianity need look no further than Gregg Allison's *50 Core Truths of the Christian Faith*. This volume covers foundational doctrines of the nature and works of God, the Bible, God's created beings, Jesus, the Holy Spirit, salvation, the church, and the end times. And each chapter features clear guidance for how to teach and apply the doctrine today. Pastors, Sunday school teachers, and lay students of theology will find this an indispensable resource for understanding and teaching Christian theology.

Christian Ethics - Wayne Grudem 2018-07-20

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

Biblical Foundations for Manhood and Womanhood - Wayne Grudem 2002-10-04

For years a debate has raged over how to define true masculinity and true femininity. While there is agreement that men and women share equally in the privilege of being made in God's image, some views of manhood and womanhood blur God-given gender distinctions. Wayne Grudem assembled a team of distinguished writers to show how egalitarian views destroy God's ideal for your relationships, marriage, and life purposes. The contributors to this book include: John Piper, Pastor of Bethlehem Baptist Church, Minneapolis, Minnesota Bruce A. Ware, Senior Associate Dean of the School of Theology and Professor of Christian Theology at The Southern Baptist Theological Seminary Richard W. Hove, Director of Campus Crusade for Christ at Duke University Daniel Doriani, Dean of the Faculty and Professor of New Testament at Covenant Theological Seminary Daniel R. Heimbach, Professor of Christian Ethics at Southeastern Baptist Theological Seminary Peter Jones, Professor of New Testament at Westminster Theological Seminary in California These writers explore key issues, including the interchangeability of male-female roles, the meaning of submission, and the historical novelty of egalitarian interpretations of Scripture. This book will demonstrate how some views of manhood and womanhood tamper with our understanding of God's character and why the extremes of

male domination and feminism destroy the beauty of our sexual differences-differences that celebrate the excellence of men and women as God created us.

Jude and 2 Peter - Gene Green 2008-11

A highly regarded New Testament scholar offers a substantive evangelical commentary on Jude and 2 Peter in the award-winning BECNT series.

Systematic Theology, Second Edition - Wayne A. Grudem 2020-12-08

This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

The Deliberate Church - Mark Dever 2005-09-09

Dever and Alexander propose a model of complete reliance and submission to the gospel when building a healthy church. Great resource for pastors, elders, and others interested in the vitality of their church.

Historical Theology - Gregg Allison 2011-04-19

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various

time periods, movements, and controversies. In Historical Theology, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. Historical Theology is a superb resource for those familiar with Wayne Grudem's Systematic Theology or interested in understanding the development of Christian theology.

The Language of God - Francis Collins 2008-09-04

Dr Francis S. Collins, head of the Human Genome Project, is one of the world's leading scientists, working at the cutting edge of the study of DNA, the code of life. Yet he is also a man of unshakable faith in God. How does he reconcile the seemingly unreconcilable? In THE LANGUAGE OF GOD he explains his own journey from atheism to faith, and then takes the reader on a stunning tour of modern science to show that physics, chemistry and biology -- indeed, reason itself -- are not incompatible with belief. His book is essential reading for anyone who wonders about the deepest questions of all: why are we here? How did we get here? And what does life mean?

Redeeming Science - Vern S. Poythress 2006-10-13

Many people think science is antagonistic to Christian belief. Science, it is said, shows that the universe is billions of years old, while the Bible says it is only thousands of years old. And some claim that science shows supernatural miracles are impossible. These and other points of contention cause some Christians to view science as a threat to their beliefs. Redeeming Science attempts to kindle our appreciation for science as it ought to be--science that could serve as a path for praising God and serving fellow human beings. Through examining the wonderfully complex and immutable laws of nature, author Vern Poythress explains, we ought to recognize the wisdom, care, and beauty of God. A Christian worldview restores a true response to science, where we praise the God who created nature and cares for it.

Life's Biggest Questions - Erik Thoennes 2011-06-23

If we were to compile the biggest questions pertaining to life, we would face some daunting submissions: Does God exist? What is God like? How will it all end? In this accessible book Erik Thoennes--a preaching pastor and theology professor--asks and answers 15 of the most important questions we can ask about God, the Bible, Jesus, and the church. Readers will find his answers clear, helpful, and above all biblical. Life's Biggest Questions is a great resource for new Christians and for those looking for concise ways to answer difficult questions. Each chapter concludes with a Scripture verse for meditation and memorization, questions for application and discussion, and suggestions for further study.
