**When God Doesn't Make Sense** - James C. Dobson 2012-10-17

With more than one million copies sold, *When God Doesn't Make Sense* is an immensely practical book for those who are struggling with trials and heartaches they can't understand. Why does disease, natural disaster, divorce, rejection, death, or some other sorrow seep into our lives when we are trying to serve the Lord? It just doesn't seem fair! This book deals unflinchingly with life's most troubling question—"Why?" Drawing on his long experience as a Christian psychologist and family counselor, Dr. Dobson brings hope to those who have almost given up. *When God Doesn't Make Sense* also helps believers avoid the "betrayal barrier"—the sense that God is abandoning them amid the storms of life. Now with a new foreword by R. T. Kendall.

Practical Ethics - Peter Singer 2011-02-21

For thirty years, Peter Singer's *Practical Ethics* has been the classic introduction to applied ethics. For this third edition, the author has revised and updated all the chapters and added a new chapter addressing climate change, one of the most important ethical challenges of our generation. Some of the questions discussed in this book concern our daily lives. Is it ethical to buy luxuries when others do not have enough to eat? Should we buy meat from intensively reared animals? Am I doing something wrong if my carbon footprint is above the global average? Other questions confront us as concerned citizens: equality and discrimination on the grounds of race or sex; abortion, the use of embryos for research and euthanasia; political violence and terrorism; and the preservation of our planet's environment. This book's lucid style and provocative arguments make it an ideal text for university courses and for anyone willing to think about how she or he ought to live.

**Emotional Intelligence** - Daniel Goleman 1996

With new insights into the brain architecture underlying emotion and rationality, Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us.

**Sexperiment** - Ed Young 2013-01-08

The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage—with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with each other regularly—the kids, the career, the house, the errands, etc.

SEXPERIMENT shows people that sex in marriage is more than just sex, and it's more than a chore. The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks!

**Asset Recovery Handbook** - Jean-Pierre Brun 2021-02-08

Developing countries lose billions each year through bribery, misappropriation of funds, and other corrupt

practices. Much of the proceeds of this corruption find 'safe haven' in the world's financial centers. These criminal flows are a drain on social services and economic development programs, contributing to the impoverishment of the world's poorest countries. Many developing countries have already sought to recover stolen assets. A number of successful high-profile cases with creative international cooperation has demonstrated that asset recovery is possible. However, it is highly complex, involving coordination and collaboration with domestic agencies and ministries in multiple jurisdictions, as well as the capacity to trace and secure assets and pursue various legal options—whether criminal confiscation, non-conviction based confiscation, civil actions, or other alternatives. This process can be overwhelming for even the most experienced practitioners. It is exceptionally difficult for those working in the context of failed states, widespread corruption, or limited resources. With this in mind, the Stolen Asset Recovery (StAR) Initiative has developed and updated this Asset Recovery Handbook: A Guide for Practitioners to assist those grappling with the strategic, organizational, investigative, and legal challenges of recovering stolen assets. A practitioner-led project, the Handbook provides common approaches to recovering stolen assets located in foreign jurisdictions, identifies the challenges that practitioners are likely to encounter, and introduces good practices. It includes examples of tools that can be used by practitioners, such as sample intelligence reports, applications for court orders, and mutual legal assistance requests. StAR—the Stolen Asset Recovery Initiative—is a partnership between the World Bank Group and the United Nations Office on Drugs and Crime that supports international efforts to end safe havens for corrupt funds. StAR works with developing countries and financial centers to prevent the laundering of the proceeds of corruption and to facilitate more systematic and timely return of stolen assets.

**Fatal Freedom** - Thomas Szasz 2002-08-01

Fatal Freedom is an eloquent defense of every individual's right to choose a voluntary death. By maintaining statutes that determine that voluntary death is not legal, Thomas Szasz believes that our society is forfeiting one of its basic freedoms and causing the psychiatric medical establishment to treat individuals in

a manner that is disturbingly inhumane. Society's penchant for defining behavior it terms objectionable as a disease has created a psychiatric establishment that exerts far too much influence over how and when we choose to die. In a compelling argument that clearly and intelligently addresses one of the most significant ethical issues of our time, Szasz compares suicide to other practices that historically began as sins, became crimes, and now are seen as mental illnesses.

**Servant of All** - Craig C. Hill 2016-11-12

There exists a deep tension between the biblical view of servant leaders and the status that Christian leaders today often desire and pursue. Many pastors and other church leaders, like it or not, struggle with ambition. In this book Craig Hill shows how the New Testament can help Christian leaders deal with this problem honestly and faithfully. Hill examines such passages as the Christ Hymn in Philippians 2 to show how New Testament authors helped early Christians construct their identity in ways that overturned conventional status structures and hierarchies. Status and ambition, Hill says, are not often addressed forthrightly in the church, as Christians either secretly indulge those impulses or feebly try to quash them. Hill's *Servant of All* will help Christian leaders reconcile their human aspirations and their spirituality, empowering them to minister with integrity.

**Radical** - David Platt 2010-05-04

New York Times bestseller *What is Jesus worth to you?* It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.
