*Spoon River Anthology (Annotated)* - Edgar Lee Masters 2020-05-05

Differentiated book- It has a historical context with research of the time-Spoon River Anthology by Edgar Lee Masters. Masters, Edgar Lee, 1868-1950, The Spoon River Anthology is a collection of 245 free verse epitaphs in the form of monologues. They are spoken from beyond the grave by former residents of a sad and confined small town like the same Masters he had known during his childhood in Illinois. Speakers speak of their hopes and ambitions and of their bitter and unfulfilled lives. The realistic poems were controversial when they were first published, as they contradicted the popular view of small towns as repositories of moral virtue and respectability. The son of a lawyer and attorney himself, he soon moved to Lewistown, Illinois, in an area of the Midwest that would constantly reappear in his poetry. He first worked as an electric power collector, and then traveled to Chicago, where he joined the Kickham Scanlan firm in 1893. He was married twice; in 1898 with Helen M. Jenkins, daughter of a lawyer, of whom she had three children. In 1911 he opened his own law firm, after three hectic years (1908-1911) because of an extramarital relationship and a dispute with attorney Clarence Darrow, of which he was a partner. Two of his children followed in his footsteps; her daughter Marcia was devoted to poetry, and her son Hilary Masters became a novelist.

*The Down Days* - Ilze Hugo 2021-06-22

"In the aftermath of a deadly outbreak bearing similarities to the Tanganyika Laughter Epidemic, a city at the tip of Africa is losing its mind-complete with hallucinations, paranoia, and good old-fashioned ghost sightings. Is it the result of secret government experiments, an episode of mass hysteria, the effects of trauma, a sign of the end times? In a quarantined city in which the inexplicable has already occurred, rumors, superstitions, and conspiracy theories abound. In these strange days, Faith works as a full-time corpse collector and a freelance truthologist, putting together disparate pieces of information to solve others' problems. But after Faith agrees to help an orphaned girl find the girl's abducted baby brother, she begins to wonder whether the boy is even real. Meanwhile, Sans, a ponyjacker in the human hair trade, is so distracted by a glimpse of his dream woman that he lets a bag of money he owes his gang partners go missing-leaving him desperately searching for both and soon questioning his own sanity. Over the course of a single week, the paths of Faith,

Sans, and a cast of other hustlers-including a data dealer, a drug addict, a sin eater, and a hyena man-will cross and intertwine as they move about the city, looking for lost souls, uncertain absolution, and answers that may not exist. Part ghost story, part whodunit, part palimpsest, THE DOWN DAYS is a rollicking exploration of the mutability of memory, the subjectivity of perception, and the notion that truth is ultimately in the eye of the beholder"--

**An Occurrence at Owl Creek Bridge** - Ambrose Bierce 2019-12-11

"An Occurrence at Owl Creek Bridge" (1890) is a short story by the American writer and Civil War veteran Ambrose Bierce. Described as "one of the most famous and frequently anthologized stories in American

literature", it was originally published by The San Francisco Examiner on July 13, 1890, and was first collected in Bierce's book *Tales of Soldiers and Civilians* (1891). The story, which is set during the American Civil War, is known for its irregular time sequence and twist ending. Bierce's abandonment of strict linear narration in favor of the internal mind of the protagonist is an early example of the stream of consciousness narrative mode. Peyton Farquhar, a civilian and plantation owner, is being prepared for execution by hanging from an Alabama railroad bridge during the American Civil War. Six military men and a company of infantrymen are present, guarding the bridge and carrying out the sentence. Farquhar thinks of his wife and children and is then distracted by a noise that, to him, sounds like an unbearably loud clanging; it is actually the ticking of his watch. He considers the possibility of jumping off the bridge and swimming to safety if he can free his tied hands, but the soldiers drop him from the bridge before he can act on the idea. Famous works of the author Ambrose Bierce: "A Psychological Shipwreck", "Killed at Resaca", "An Inhabitant of Carcosa", "One of the Missing", "A Tough Tussle", "An Unfinished Race", "One of Twins", "A Horseman in the Sky", "The Spook House", "The Middle Toe of the Right Foot", "The Man and the Snake", "An Occurrence at Owl Creek Bridge", "The Realm of the Unreal", "The Boarded Window", "The Secret of Macarger's Gulch", "The Death of Halpin Frayser", "The Damned Thing", "The Eyes of the Panther", "Moxon's Master", "The Moonlit Road", "Beyond the Wall".
