Amber to Ashes - Gail McHugh  
2015-06-09

From the New York Times bestselling author of *Collide* and *Pulse* comes a gritty new novel about a shattered young woman who unexpectedly falls for two best friends. They were a storm I never saw coming, an unforeseen heartbreak on the edge of a dangerous cliff. Amber Moretti's life changes in the span of minutes. An orphaned outsider, she is desperate to start fresh the moment she walks onto campus. In the time it takes to cross the university's dining hall, she meets two men who bring color, air, and light to her darkened world. They became my addiction, each a needle to my next hit, my high. Brock Cunningham's appeal is dizzying, a potent force Amber can't deny. A green-eyed smooth talker, he instantly attracts Amber. It doesn't take long for him to consume her every thought, her every breath. Ryder Ashcroft, a blue-eyed, tattooed, and pierced bad boy, turns Amber off immediately—that is, until he kisses her, stealing a piece of her heart, her soul. They were as opposite as fire and ice, yet I ached for them equally. Never knowing she could be broken down in so many unexpectedly beautiful yet petrifying ways, Amber finds herself falling for

both men. Immoral? Maybe. I say undeniable. Uncontained. But one devastating event changes everything, shattering each of their lives...and Amber isn't sure she can recover from it.

Confidentiality is our special obligation. Jewell Weston is homeless and desperate at age twenty-four. Two years ago, she quit her job to care for her ailing mother and her young brother; the medical bills incurred because of the cancer that killed her mother two months ago took everything the family had, and the state then took away her brother, now age ten. The only way for her to get the boy back is by finding a job and securing a home. When she's approached by a woman in cashmere and pearls who

tells her she can change her life, and is handed a card with the business name Relinquish Control on it, she thinks she has nothing to lose by calling the phone number. Maybe this will be the answer to her prayers, a way to save her little brother from the nightmarish foster home he's been placed in. Blake Knight, known to the world as cold and without a heart, is given an exclusive membership to Relinquish Control by his devilish younger brother, who thinks it would be amusing to make his staid brother squirm. Little does this brother realize that Blake does indeed have unusual desires that Relinquish Control can cater to perfectly. What started as a joke turns out to be just what Blake needs. Though the world sees this man as deliberate and emotionless, it's nothing but a facade. What lies underneath would shock all those who know him. When he and his two brothers were six, eight and ten, they were tied up and forced to watch while their parents were murdered. The image has been burned into their minds, though they've tried to forget, leaving each of them guarded and unwilling to give their trust to anyone other than each other. No one is allowed to have their hearts. The brothers would never think of letting down their guard with anyone else, certainly not with a woman. Follow Blake and Jewell's journey and see if they can find a happily ever after..."

**Dark of the Moon and Desire in the Sun** - Karen Robards 2005-08-09

Dear Reader, These are two of my classic historical romances, and I love both of them. When I heard that they were going to be re-published together, I was thrilled. Connor d'Arcy, Lord Earl of Iveagh, the hero

of Dark of the Moon, is one of my favorite heroes ever. (I'm still a sucker for tall, dark, brooding, masterful men with a secret!) Together, he and Caitlyn O'Malley steam up the eighteenth-century Irish countryside in an epic romantic adventure that made my heart pound while I was writing it and, I hope, has the same effect on yours as you read it. Joss, from Desire in the Sun, is another great hero -- still masterful, still sinfully handsome -- but unlike Connor, afflicted with a lady who is determined to rule him. The fireworks generated by those two will leave you breathless. I've re-read them several times myself, just for fun (it's great to be able to go back and read and enjoy your own books, by the way) and, for me, they're still magical. I think you'll find them magical, too. Enjoy! With warmest wishes, Karen Robards
