*New Headway Plus* - John Soars 2014

It's the Digital Edition of the world's best-selling adult English course, delivering lessons that really do work in class. How does it do it? Short answer: methodology with digital support. The balanced methodology of New Headway Plus is now combined with all-new digital components, offering extra support for teachers and students both inside and outside the classroom. Extra practice is available for all of the four core language skills - Reading, Writing, Listening and Speaking - as well as additional audio and video material. You can access a range of supplementary resources, from grammar PowerPoint slides to worksheets for every video. And all are easy to use.

*New Headway, Elementary* - Liz Soars 2009-09-25

New Headway iTools makes it easy to use interactive whiteboards and digital technology with Headway. Everything about these resources is user-friendly and supportive - and here's why. First, you don't need any

special equipment. Just use what you already have in the school - an interactive whiteboard, a computer, a data projector, an ebeam. New Headway iTools works on all of these, and it doesn't matter which brand of whiteboard you have. Second, you get a full-colour Teacher's Guide in the pack. This shows you when and how to use the activities in the lesson, and includes whiteboard tips so you're never without support. The Guide also appears on the disc, for easy access during the lesson. New Headway iTools saves you time, too. How? Pre-selection ... the activities on the disc are pre-selected from the Student's Book. This means you don't need to go through the book deciding which activities are most suitable for the interactive whiteboard - they've already been researched and chosen for that very reason. Just go ahead and use them in class, with confidence.

Whilst most teachers are skilled in providing opportunities for the progression of children's learning, it is often without fully understanding the theory behind it. With greater insight into what is currently known about the processes of learning and about individual learning preferences, teachers are better equipped to provide effective experiences and situations which are more likely to lead to lasting attainment. Now fully updated, *Ways of Learning* seeks to provide an understanding of the ways in which learning takes place, which teachers can make use of in their planning and teaching, including: An overview of learning Behaviourism and the beginning of theory Cognitive and constructivist learning Multiple

intelligences Learning styles Difficulties with learning The influence of neuro-psychology Relating theory to practice The third edition of this book includes developments in areas covered in the first and second editions, as well as expanding on certain topics to bring about a wider perspective; most noticeably a newly updated and fully expanded chapter on the influence of neuro-educational research. The book also reflects changes in government policy and is closely related to new developments in practice. Written for trainee teachers, serving teachers, and others interested in learning for various reasons, *Ways of Learning* serves as a valuable introduction for students setting out on higher degree work who are in need of an introduction to the topic.

American English File - Clive Oxenden 2010-01-07

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?"

This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their

pronunciation.

**New Headway Advanced Student's Book** - John Soars 2019-04

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. With its proven methodology, Headway is the course you can always trust. The strong grammar focus, clear vocabulary syllabus and integrated skills work give you lessons that really work in class. Constant updates mean the material is always current, and with a huge range of components available - including new digital resources for interactive whiteboards - you've always got support where you need it.

*American Headway, Level 2* - OXFORD UNIVERSITY PRESS  
2015-06-11

The Headway series and its award-winning authors, Liz and John Soars, have helped around 100 million students in over 127 countries learn English. Teachers around the world have told us that Headway helps students succeed in and beyond the classroom. Read their stories at [www.oup.com/elt/provensuccess](http://www.oup.com/elt/provensuccess). American Headway third edition supports students to succeed beyond the classroom more than ever before. Students can: Accelerate their progress in speaking and prepare for high-stake tests with more conversation. Manage their own learning with new digital resources. The Oxford Online Skills Program allows students to improve their reading, writing, listening and speaking skills independently.

iChecker Online Self-Assessment prepares students for exam success with a variety of exam-style testpreparation exercises. American Headway also supports teachers to prepare successful lessons. In our American Headway global teacher survey (Oxford University Press, 2014), 89% of teachers reported that they are more creative and willing to try new activities after using American Headway. 71% said they are more passionate in their teaching. With the third edition, teachers can now: Download 100% new assessment material from the Testing Program. Bring the Student Book, Workbook, and all media together in one place and create a dynamic classroom environment with iTools classroom presentation software.

*Mobile Learning* - Shaun Wilden 2017-09-04

Into the Classroom is a series of short, practical guides that help teachers who work in the primary and secondary school setting to make sense of new teaching tools, techniques, and educational policy, with ideas for implementing them in the classroom. Mobile Learning provides clear guidance and essential support for teachers who want to use mobile devices in and outside the language classroom. Full of practical ideas and activities, it emphasizes the power of the mobile device as a tool for language learning. Mobile Learning:

- helps teachers get started with using mobile devices and apps in class.
- shows how to make the most of in-built features, such as messaging, photos, and audio recording.
- introduces more advanced project ideas, including digital storytelling, video and animation, multimodal approaches, and augmented reality.
- addresses issues such as acceptable use policies and staying safe.
- provides teachers with dozens of practical ideas and activities they can immediately

incorporate into their teaching. Shaun Wilden is a teacher, teacher trainer, and materials writer who has been helping teachers integrate technology into their teaching for over a decade. His main areas of interest are mobile devices, online teaching, and creating podcasts.
