Om Yoga Meditation - Abbot George Burke 2017-09-21

A complete A to Z guide about how to meditate using the world's oldest and most proven method: Om Meditation. No initiation from gurus necessary. Om Yoga Meditation: Its Theory and Practice is a thorough guide providing all the information that might be desired for a successful meditation practice, illumining the art and science of effective inner life. Beginning with an in-depth explanation of what yoga is and what its goals are, and continuing with a background on the theory of mantra, Abbot George then shows the value of the unique mantra Om. He shows that Om Meditation is the original yoga, citing the classic scriptures of India and the testimony of the saints. In Om Yoga Meditation you will discover the techniques for using Om in meditation, and how to make your meditation the most effective. You will also learn the foundations of the yogic life that will support and nourish your practice, and be given the keys to bless others as well as yourself using Om

Holy Himalaya - E Sherman Oakley 2020-01-10

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Psycho-Social Analysis of the Indian Mindset - Jai B.P. Sinha 2014-10-17

This volume situates Indians in the contemporary world and profiles the major facets of their thought and behaviour; then goes back to trace their roots to ancient thought to see how the past predisposes and the present guides Indians in their everyday life. The volume begins with a conceptual framework showing how the Indian worldview has encompassed and enveloped a variety of ideas and influences from divergent sources. As a result, Indians are both collectivists and individualists, hierarchically oriented while respecting merit and quality, religious as well as secular and sexually indulgent, spiritual as well as materialists, excessively dependent but remarkably entrepreneurial, non-violent in principle but violent in practice and comfortable in shifting between analytical, synthetic as well as intuitive approaches to reality. Such a coexistence of opposites often causes inaction, hesitation and perfunctory action, but also equips Indians to be innovative by continuously aligning their thought and behaviour to the demands of a milieu. The milieu has an inner layer consisting of desh (place), kaal (time) and paatra (person), which are embedded in the larger societal contexts of castes and classes, poverty, corruption, fragmenting politics, conflicts and violence and unfolding global opportunities and challenges. Cultural heritage permeates in all these. Indians function in this tiered, multifactorial, dynamic space. This volume draws evidence from ancient texts and the latest national and international research, many of which were conducted by the author and his associates. It does not, however, hesitate to indulge in anecdotal evidence, cases and speculative ideas in order to complete the picture. The author takes an in-depth view of the Indian mindset without getting the reader lost in either the intricacies of ancient philosophical abyss or the trivialities of present-day non-events.

The Origins of Yoga and Tantra - Geoffrey Samuel 2008-03-27

Yoga, tantra and other forms of Asian meditation are practised in modernized forms throughout the world today, but most introductions to Hinduism or Buddhism tell only part of the story of how they developed. This book is an interpretation of the history of Indic religions up to around 1200 CE, with particular focus on the development of yogic and tantric traditions. It assesses how much we really know about this period, and

asks what sense we can make of the evolution of yogic and tantric practices, which were to become such central and important features of the Indic religious scene. Its originality lies in seeking to understand these traditions in terms of the total social and religious context of South Asian society during this period, including the religious practices of the general population with their close engagement with family, gender, economic life and other pragmatic concerns.

Philosophical and Spiritual Perspectives on Decent Work - International Labour Organization 2004

This volume reflects on the values behind the ILO's Decent Work Agenda and provides a forum for contributors from various humanistic, philosophical, spiritual and religious traditions to express their views on the significance of work at all levels of society, from the individual person to the global community. Common, universal values are explored, as well as differences, in order to shed more light on the concept of decent work. In all societies, there is an ethical dimension to work, connected to the rights and entitlements of those who perform it. This also includes spiritual value such as dignity, personal identity, a sense of purpose in life, the "divine call to work" and so on. In this book, contributors - from the Jewish, Christian, Muslim, Hindu, Buddhist, Confucian, and various secular traditions - come together to exchange comments and reflections on the "floor" of decency as defined by the ILO: freedom of association, eradication of forced and compulsory labour, abolition of child labour and elimination of discrimination in respect of employment and occupation. It is hoped that this type of approach will be inspiring. Before embarking on major international strategic papers, legal instruments and public policies, the systematic consultation of an interfaith and humanistic forum would enable cultural and religious views to be taken into consideration. In this way such instruments would be anchored in shared values and not influenced by any one dominant conception of human existence in the world.

Yoga Sutras of Patanjali - Maharishi Patanjali 2018-06-09

Yoga Sutras of Patanjali (Yoga Elements) by Maharishi Patanjali

All about Hinduism - Swami Sivananda 1977

The Secret of The Veda - Sri Aurobindo 2016-04-11

"The Secret of The Veda" by Sri Aurobindo. This book is collection of Sri Aurobindo's various writings on the Veda and his translations of some of the hymns, originally published in the monthly review 'Arya' between August 1914 and 1920. This book contains few scripts in Sanskrit language. If you are unable to read Sanskrit script don't worry all scripts are translated in English and with proper Sanskrit pronunciation in Roman character.

Indian Navy Agniveer Matric Recruit (MR) | Agnipath Scheme - MR Male/Female 01/2022 (English Edition) | 10 Full-Length Mock Tests + 6 Sectional Tests - EduGorilla Prep Experts 2022-08-01

- Best Selling Book in English Edition for Indian Navy Agniveer Matric Recruit (MR) 2022 with objective-type questions as per the latest syllabus given by the Indian Navy.
- Compare your performance with other students using Smart Answer Sheets in EduGorilla's Indian Navy Agniveer Matric Recruit (MR) 2022 Practice Kit.
- Indian Navy Agniveer Matric Recruit (MR) 2022 Preparation Kit comes with 16 Tests (10 Full-Length Mock Tests + 6 Sectional Tests) with the best quality content.
- Increase your chances of selection by 16X.
- Indian Navy Agniveer Matric Recruit (MR) 2022 Prep Kit comes with well-structured and 100% detailed solutions for all the questions.
- Clear exam with good grades using thoroughly Researched Content by experts.

Combating Terrorism - Shruti Pandalai 2019

The Crown of Hinduism - J. N. Farquhar 2008-11

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Hesperides Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Meta Modern Era - Shri Mataji Nirmala Devi 2019-05-30

Meta Modern Era by Shri Mataji Nirmala Devi is a loving, compelling and powerful book that introduces a tangible spiritual breakthrough for the 21st century – spontaneous Self Realization through Sahaja Yoga meditation – which opens a new dimension in human awareness. Written by Nobel Peace Prize nominee and one of the greatest voices on spirituality, Shri Mataji Nirmala Devi, the book offers stunningly deep insights on the crises of our modern times and the solutions to their root problems.

Decolonizing Anarchism - Maia Ramnath 2012-01-01

Decolonizing Anarchism examines the history of South Asian struggles against colonialism and neocolonialism, highlighting lesser-known dissidents as well as iconic figures. What emerges is an alternate narrative of decolonization, in which liberation is not defined by the achievement of a nation-state. Author Maia Ramnath suggests that the anarchist vision of an alternate society closely echoes the concept of total decolonization on the political, economic, social, cultural, and psychological planes.

Decolonizing Anarchism facilitates more than a reinterpretation of the history of anticolonialism; it also supplies insight into the meaning of anarchism itself. Praise for Decolonizing Anarchism: "Maia Ramnath offers a refreshingly different perspective on anticolonial movements in India, not only by focusing on little-remembered anarchist exiles such as Har Dayal, Mukerji and Acharya but more important, highlighting the persistent trend that sought to strengthen autonomous local communities against the modern nation-state. A superbly original book."—Partha Chatterjee, author of Lineages of Political Society: Studies in Post-colonial Democracy "[Ramnath] audaciously reframes the dominant narrative of Indian radicalism by detailing its explosive and ongoing symbiosis with decolonial anarchism."—Dylan Rodríguez, author of Suspended Apocalypse: White

Supremacy, Genocide, and the Filipino Condition

The Path of Modern Yoga - Elliott Goldberg 2016-07-18

A history of yoga's transformation from sacred discipline to exercise program to embodied spiritual practice • Identifies the origin of exercise yoga as India's response to the mania for exercise sweeping the West in the early 20th century • Examines yoga's transformations through the lives and accomplishments of 11 key figures, including Sri Yogendra, K. V. Iyer, Louise Morgan, Krishnamacharya, Swami Sivananda, Indra Devi, and B. K. S. Iyengar • Draws on more than 10 years of research from rare primary sources and includes 99 illustrations In The Path of Modern Yoga, Elliott Goldberg shows how yoga was transformed from a sacred practice into a health and fitness regime for middle-class Indians in the early 20th century and then gradually transformed over the course of the 20th century into an embodied spiritual practice—a yoga for our times. Drawing on more than 10 years of research from rare primary sources as well as recent scholarship, Goldberg tells the sweeping story of modern yoga through the remarkable lives and accomplishments of 11 key figures: six Indian yogis (Sri Yogendra, Swami Kuvalayananda, S. Sundaram, T. Krishnamacharya, Swami Sivananda, and B. K. S. Iyengar), an Indian bodybuilder (K. V. Iyer), a rajah (Bhavanarao Pant Pratinidhi), an American-born journalist (Louise Morgan), an Indian diplomat (Apa Pant), and a Russian-born yogi trained in India (Indra Devi). The author places their achievements within the context of such Western trends as the physical culture movement, the commodification of exercise, militant nationalism, jazz age popular entertainment, the quest for youth and beauty, and 19th-century New Age religion. In chronicling how the transformation of yoga from sacred discipline to exercise program allowed for the creation of an embodied spiritual practice, Goldberg presents an original, authoritative, provocative, and illuminating interpretation of the history of modern yoga.

An Indian Pilgrim - Subhas Chandra Bose 2013-01-23

Written towards the end of 1937 during his Europe trip, after being nominated the President of the Indian National Congress, An Indian Pilgrim traces Bose's life story from birth till his resignation from the Indian Civil Service. It is an astounding account of his ideological development and his singular focus on India's reconstruction in which Swami Vivekananda played a large part—"I was barely fifteen when Vivekananda entered my life. Then there followed a revolution within and everything was turned upside down." The book recounts the development of the spirit of service, sacrifice and zeal for national liberation, which were the driving forces of his life. We hope this publication will gain wide circulation so that the spirit of Subhas Chandra Bose becomes the guiding light of the country's youth in these disturbing times.

Sathya Sai Vahini - Bhagawan Sri Sathya Sai Baba 2014-07-09

Bhagawan has announced Himself as the Divine Teacher of Truth, Beauty, and Goodness. By precept and example, through His writings and

discourses, letters and conversations, He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living, inner peace, and universal love. When the Ramakatha Rasavahini, the uniquely authentic, nectarine stream of the Rama's story, was serialised in full in the Sanathana Sarathi, Bhagawan blessed readers with a new series, which He named Bharatiya Paramartha Vahini (The Stream of Indian Spiritual Values). While these precious essays, on the basic truths that foster and feed Indian culture since ages before history began, were being published, Bhagawan decided to continue the flow of illumination and instruction under a more comprehensive and meaningful name, Sathya Sai Vahini - the Ganga from the Lotus Feet of the Lord - "The Flow of Divine Sai Grace". This book, therefore, contains the two Vahinis that have merged in one master stream. Inaugurating these series, Bhagawan wrote for publication in the Sanathana Sarathi, "Moved by the urge to cool the heat of conflict and to quench the agonising thirst for 'knowledge about yourself' that you are afflicted with, see, here it comes, the Sathya Sai Vahini, wave behind wave, with the Sanathana Sarathi as the medium between you and Me." With infinite compassion, this Sathya Sai incarnation of the Omniwill is giving millions of persons in all lands freedom from disease, distress, and despair, narcotics, narcissism, and nihilism. He is encouraging those, who suffer gloom through wilful blindness, to light the Lamp of Love in order to see the world and the Lamp of Wisdom to see themselves. "This is a tantalising, true-false world. Its apparent diversity is an illusion. It is One, but is cognised by the maimed, multiple vision of humans as Many," says Bhagawan. This book is the twin Lamp He has devised for us.

My Transportation For Life - Veer Savarkar 2021-01-19

The story is told. The curtain has been brought down on it. Two life-sentences have been run. And I have brought together my recollections of them within the cover of this book. They are narrated in brief and put together within the narrowest. When I came into this world, God sent me here possibly on a sort of life-sentence. It was the span of life allotted to me by time to stay in this 'prison-house of life'. This story is but a chapter of that book of life, which is a longer story not yet ended. You can finish reading the book in a day, while I had to live it for 14 long years of transportation. And if the story is so tiresome, unendurable and disgusting to you, how much must have been the living of it for me! Every moment of those 14 years in that jail has been an agony of the soul and the body to me, and to my fellow convicts in that jail. It was not only fatiguing, unbearable and futile to us all, it was equally or more excruciating to them as to me. And it is only that you may know it and feel the fatigue, the disgust and the pain of it as we have felt it, that I have chosen to write it for you. —Excerpts from this book This is the story of Swatantrayaveer Vinayak Damodar Savarkar—a great revolutionary, politician, poet and seer who tried to free India from the British yoke! British policy was to torture and persecute the political prisoners/revolutionaries so that they would

reveal the names of all their colleagues or go mad or commit suicide. My Transportation for Life is a firsthand story of the sufferings and humiliation of an inmate of the infamous Cellular Jail of Andamans, the legendary Kala Paani. The physical tortures inside the high walls were made all the more insufferable by the sickening attitude of the men who mattered—the native leaders back home. This is a running commentary on the prevalent political conditions in India and a treatise for students of revolution. It is a burning story of all Tapasvis who were transported to Andaman.

Orientalism and Religion - Richard King 2013-04-03

Orientalism and Religion offers us a timely discussion of the implications of contemporary post-colonial theory for the study of religion. Richard King examines the way in which notions such as mysticism, religion, Hinduism and Buddhism are taken for granted. He shows us how religion needs to be reinterpreted along the lines of cultural studies. Drawing on a variety of post-structuralist and post-colonial thinkers, such as Foucault, Gadamer, Said, and Spivak, King provides us with a challenging series of reflections on the nature of Religious Studies and Indology.

World Christianity and Global Conquest - David Lindenfeld 2021-05-20

Explores the global expansion of Christianity since 1500 from the perspectives of the indigenous people who were affected by it.

Introducing Anthropology of Religion - Jack David Eller 2007-08-07

This lively and readable survey introduces students to key areas of the field and shows how to apply an anthropological approach to the study of contemporary world religions. Written by an experienced teacher, it covers all of the traditional topics of anthropology of religion, including definitions and theories, beliefs, symbols and language, and ritual and myth, and combines analytic and conceptual discussion with up-to-date ethnography and theory. Eller includes copious examples from religions around the world – both familiar and unfamiliar – and two mini-case studies in each chapter. He also explores classic and contemporary anthropological contributions to important but often overlooked issues such as violence and fundamentalism, morality, secularization, religion in America, and new religious movements. Introducing Anthropology of Religion demonstrates that anthropology is both relevant and essential for understanding the world we inhabit today.

Yoga in Modern India - Joseph S. Alter 2021-05-11

Yoga has come to be an icon of Indian culture and civilization, and it is widely regarded as being timeless and unchanging. Based on extensive ethnographic research and an analysis of both ancient and modern texts, Yoga in Modern India challenges this popular view by examining the history of yoga, focusing on its emergence in modern India and its dramatically changing form and significance in the twentieth century. Joseph Alter argues that yoga's transformation into a popular activity idolized for its health value is based on modern ideas about science and medicine. Alter centers his analysis on an interpretation of the seminal work of Swami Kavalayananda, one of the chief architects of the Yoga

Renaissance in the early twentieth century. From this point of orientation he explores current interpretations of yoga and considers how practitioners of yogic medicine and fitness combine the ideas of biology, physiology, and anatomy with those of metaphysics, transcendence, and magical power. The first serious ethnographic history of modern yoga in India, this fluently written book is must reading not only for students and scholars but also practitioners who seek a deeper understanding of how yoga developed over time into the exceedingly popular phenomenon it is today.

The Arya Samaj - Lajpat Rai (Lala) 1991

The Wrestler's Body - Joseph S. Alter 1992-08-03

The Wrestler's Body tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler's physique that elucidates the somatic structure of the wrestler's identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter's first-hand description of each detail of the wrestler's regimen offers a unique perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.

The Art of Yoga - B. K. S. Iyengar 1985

Incl. illustrations

Roots of Yoga - James Mallinson 2017-01-26

'An indispensable companion for all interested in yoga, both scholars and practitioners' Professor Alexis G. J. S. Sanderson Despite yoga's huge global popularity, relatively little of its roots is known among practitioners. This compendium includes a wide range of texts from different schools of yoga, languages and eras: among others, key passages from the early Upanisads and the Mahabharata, and from the Tantric, Buddhist and Jaina traditions, with many pieces in scholarly translation for the first time. Covering yoga's varying definitions, its most important practices, such as posture, breath control, sensory withdrawal and meditation, as well as models of the esoteric and physical bodies, Roots of Yoga is a unique and essential source of knowledge. Translated and Edited with an Introduction by James Mallinson and Mark Singleton

Religious Thought and Life in India - Sir Monier Monier-Williams 1883

Hinduism at a Glance - Swami Nirvedananda 1957

Hatha Yoga Pradipika - Svātmārāma 2022

ArchiCAD Step by Step Tutorial - Thomas M. Simmons 2000

The Message of Mahatma Gandhi - U. S. MOHAN RAO 2017-08-30

Karmayogin - Sri Aurobindo 2016-07-31

This volume consists primarily of articles originally published in the nationalist newspaper Karmayogin between June 1909 and February 1910. It also includes speeches delivered by Sri Aurobindo in 1909. The aim of the newspaper was to encourage a spirit of nationalism, to help India recover her true heritage and remould it for her future. Its view was that the freedom and greatness of India were essential to fulfilling her destiny, to lead the spiritual evolution of humanity.

A Concise History of Modern India - Barbara D. Metcalf 2006-09-28

In a second edition of their successful Concise History of Modern India, Barbara Metcalf and Thomas Metcalf explore India's modern history afresh and update the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. From the days of the Mughals, through the British Empire, and into Independence, the country has been transformed by its institutional structures. It is these institutions which have helped bring about the social, cultural and economic changes that have taken place over the last half century and paved the way for the modern success story.

Despite these advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the nature of the Indian nation.

Sinister Yogis - David Gordon White 2010-07-15

Since the 1960s, yoga has become a billion-dollar industry in the West, attracting housewives and hipsters, New Agers and the old-aged. But our modern conception of yoga derives much from nineteenth-century European spirituality, and the true story of yoga's origins in South Asia is far richer, stranger, and more entertaining than most of us realize. To uncover this history, David Gordon White focuses on yoga's practitioners. Combing through millennia of South Asia's vast and diverse literature, he discovers that yogis are usually portrayed as wonder-workers or sorcerers who use their dangerous supernatural abilities—which can include raising the dead, possession, and levitation—to acquire power, wealth, and sexual gratification. As White shows, even those yogis who aren't downright villainous bear little resemblance to Western assumptions about them. At turns rollicking and sophisticated, *Sinister Yogis* tears down the image of yogis as detached, contemplative teachers, finally placing them in their proper context.

The Myth of the Holy Cow - Dwijendra Narayan Jha 2004

A book the government of India demands be ritually burned.
