Diamond . . . A Girl's Best Friend - Rose Jarvis 2010-02

My dog Diamond, a mix of a Rat Terrier and Pit Bull, was given to me several years ago by a friend. I didn't know it then, but what a blessing I received in bringing her home to live with me, my husband Ricky and my two daughters LaToya and Felicia. We learn from the word of God that He can use anyone or anything to teach us every day lessons. These lessons are so we can improve our own lives, and God has truly used my dog Diamond to help me grow to be a better person. When I've spoken to others about the lessons I have learned from Diamond they have asked me when would I put these lessons in writing. I'm thankful for the opportunity to have done that in this book. When God opens your eyes with a better way to live life it should be shared with others. I pray that this book will be life changing for everyone that reads it. My prayer is that they will see them selves through the life examples of my dog Diamond and know that God wants to use Diamond to help them grow spiritually, mentally, and physically. This is truly my prayer for every reader. Rose Jarvis is the daughter of the late James & Shirley Cosby Carpenter of Long Island, New York and is married to Richard Leon Jarvis. She and Richard are the parents of two beautiful daughters, LaToya Sharice & Felicia Rochelle Jarvis, grandparents to Daveon and

Emani, and the proud owners of a wonderful Rat Terrier-Pitt Bull, Diamond.

Top Girls - Caryl Churchill 2018-02-22

Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, Top Girls has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. A well as the complete text of the play itself, this volume contains: · A chronology of the play and the playwright's life and work · an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created · a succinct overview of the

creation processes followed and subsequent performance history of the piece · an analysis of, and commentary on, some of the major themes and specific issues addressed by the text · a bibliography of suggested primary and secondary materials for further study.

How to Beat A Woman at Her Own Games - Ralph Hemphill
2020-09-01

In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

About Black Girl Magic CaShawn Thompson, a proud third-generation native of Washington, DC, came up with the concept "Black Girls Are Magic" when she was a little girl growing up with her mother, grandmother, and aunts. It sprang forth fully formed from the mind of a poor little Black girl who didn't yet have the words to describe the brilliance she saw in the women in her family, but had heard countless tales of fairies, witches, and magicians. It was just magic to her. And it still is. Black Girls Are Magic became wildly popular in 2013 after CaShawn began using the phrase online (it was later shortened to the hashtag #BlackGirlMagic) to uplift and praise the accomplishments, beauty, and other amazing qualities of Black women.

Woman of Substance - Karyn Forbes 2021-12-09

Growing into a Woman of Substance has placed me in the esteemed position of being fearless. I feel unstoppable, bold, empowered and gifted. I now bask in the glory of how the good Lord has moved in my life. Many women are falling victim to settling for the average and not tapping into their unique, real, and best selves. Any woman can become a woman of substance by being willing to take that first step out of her comfort zone and grasping opportunities. Take risks! Without risks, there would be no reward. We all have our own purpose, we simply have to seek God to guide us along the journey, in order to maximize our full

potential. With God, there are no limits! Therefore, as a woman of substance you have power, positive influence, you are a woman of meaning, a woman of purpose, a woman of honor. The greatest compliment a female could elicit is to be branded a "Woman of Substance".

Approach and Talk to a Girl - J. Covey 2019-09-24 Nervous to Approach and Talk to Women 1-on-1? Wipe Your Tears - The Final Solution is Here... ☐Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free☐ If anyone had told me I'd be amazing and confident in getting women some years ago, I wouldn't believe. I have been through what you're going through. I was scared to approach and talk to the women I liked. After so much frustration, I decided enough was enough-just the same way you have finally decided and ended up here, which is the best place to discover all the things dating gurus will never tell you about approaching beautiful women the right way. In Chapter 1, WWWW, we gave a list of words that'll appear as we learn the craft of approaching a woman. We discussed the only two types of ways to woo her which are ID (In-Direct opener) and DO (Direct Opener), and how they're applied with examples. We looked into nervousness. We looked into the Five WWWWWs of starting a conversation with a woman which are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In

Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a seated girl (in any settings); how to woo in class, school, gym centers, gatherings, events and parties; how to woo at the workplace or in an office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. In Chapter 3, ON/OFF, we discussed how Push and Pull (PP) works with some examples. We talked on the types of push and pull. We also looked into things you'll have or be that'll make you never to be nervous around girls. We gave an example on building rapport with Sad Anchor and other explanations. In Chapter 4, look inside to see what it's all about. In Chapter 5, Accidental Accusation, we talked on how to accuse a girl to start a conversation. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends' Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8, Mindset. We talked on how you should not start a conversation from the beginning, but

always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more. Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. A secret you can't find anywhere online or offline. Americanata - Becky Landrum 2001-08-30

In 1938 I was twenty years old and living with my parents in Joplin Missouri. I was the youngest of four children with a brother and two sisters. The eldest, Harriet, had married an Italian and they were now living in Milan with their two young sons. Our parents decided to send me and my sister Blossom, 22, to Italy to spend a year with Harriet. It was the most thrilling year of my young life. We found ourselves suddenly among the wealthy and sophisticated in Chicago, Washington D. C. and New York. We embarked on an ocean liner and cruised the Mediterranean, toured fascist Italy and saw Mussolini. We saw Europe as it slid inevitably toward war. We met people of many nationalities and religions as they fled or braced themselves for the terrible storm which approached. We enjoyed the warmth and generosity of the many friends we made. We fell in love and grew wiser. This book was written for my Grandchildren and with the help and encouragement of my son, Mike. It has been a great joy to recapture the girl I was sixty years ago. I hope it brings as much pleasure to its readers as it has to its writers." A lovely, focused

work with rich details and a sure narrative voice that keeps things moving. Well worth the effort. . . the charm and innocence of the sisters is appealing, particularly in these anxious times. It reads almost like a fairy tale . . . Escapist, yet grounded in a precise appreciation of the places and people she meets. Love, adventure, humor, grace, style - all amid the threat of war, reminds me of the movie *Tea with Mussolini*." Robert T., New York Reviewer: A reader from Vienna, VA USA A trip of a lifetime, a one year sojourn into a world that would soon vanish, is the experience that Becky Landrum relates in this warm, lively memoir. Two sisters in their early twenties travel from their home in America's heartland--Joplin, Missouri--to pre-WWII Italy, where their elder sister lives with her husband and children. But travel in 1938 is not a matter of several hours in the air over the Atlantic. The trip itself is exciting and glamorous, first by train to New York, then by ocean liner to the Mediterranean and exotic ports before reaching Genoa. Once at their sister's home in Milan, the American "girls" (as Ms. Landrum refers to herself and her sister, Blossom) become part of the social whirl for foreigners there. Ms. Landrum's story (co-authored by her son, Mike) is about more than the cocktail parties, "dressing" for dinner, and nightclubs (though that is pretty fun stuff, to be sure). She is a lively tour guide, taking the reader along as she and Blossom climb the dome at St. Peter's, eat at Alfredo's and see Mussolini address the crowd from his balcony in Rome; or as they live every tourist's nightmare and discover in the middle of nowhere that they are on the wrong train. She also writes about family and the strength that comes from that bond. Most appealingly, Ms. Landrum writes with candor and fondness about her young self. Her style is both direct and friendly--what you would expect from a plain-spoken Missourian. The world as it was in 1938 is gone forever, but Ms. Landrum gives us a glimpse of it through young American eyes. It's a great view. Yes, I know I said I wouldn't have time to read this lovely little book for weeks - but I made the

mistake of reading "just the introduction" and couldn't put it down. That is the best compliment I can give any book - when it holds my attention so completely that I finish it in two days it means I loved it! The lovely conversational style, and the frank, unassuming speech of a no-nonsense Midwesterner who has seen the world and knows 'there is no place like home' is more than a remembrance - it is a teaching of the values of a life completely and joyfully embraced. I had some qualms about the souvenir membership cards to the Young Fascists - I could just see jittery customs agents finding them! I am glad that never happened! To paraphrase Becky's words, wonderful things must be enjoyed more than once to get full benefit of their beauty: I intend to sit down right now and start reading "Americanata" all over again!

REVIEW OF AMERICANATA By Becky and Mike Landrum This autobiographical tale told by one of two young American sisters on a year-long vacation in Italy in 1938 was a non-stop read for me. I couldn't put it down. How much of it was written by Becky Landrum, how much by her son Michael is anybody's guess because the story is seamless, but my estimate is that most of it is Becky's, not only because she is listed as lead author but because it has the quality of a journal-not one of the blasé and pretentious travel journals of Henry Adams and his ilk, but the kind you or I might keep, unafraid to take an almost childlike joy in new sights and new people, or report embarrassing and potentially dangerous situations. Becky's succinct prose, while not polished and professional, was the perfect way to tell her story. (Here the trip diary worked in a positive way.) In 216 pages she offers a travelogue not only of Italy and a corner of Switzerland, but of the train stops and ship ports between Joplin, Missouri and her dream vacation in Europe. Her description of peoples and locales were right on the money. Once in Italy, her observations frequently made me laugh, not only her explanation of the meaning of "Americanata" (you should have the amusement of reading that for yourself) but also shrewd comments on society

and the differentness of living in a foreign land. I want to share two of these. The first appears on page 89, a description of a society "high tea" as observed by a no-nonsense young woman from the American Midwest. No one could have better described the servants of prewar Europe: "We were waited on by a starched, gloved, and uniformed team of servants who whirled silently around us as though on roller skates." Those not fortunate enough to have traveled in Italy have heard of its wild road traffic, yet the following passage on page 111 took me joyously by surprise and must be one of the best one-liners I've ever read: "[We sat] at a small outdoor café on a busy street. Bicycles made up half the traffic, and many of them were delivering merchandise. The most unusual were two men on bicycles holding an arm chair between them, balancing it like a circus act. It was the most entertaining traffic I had ever seen." The dark side of this tale is the presence of Mussolini, the rumbling backdrop of Hitler's thrust toward war, and the result it had on several of Becky's friends, including one young Englishman she fell half in love with. But by and large Americanata is book full of joy, beauty, and rollicking good story-telling! Highly recommended.-Sandra J. Fulton
