The Seven Spiritual Laws of Success - BASED ON NATURAL laws which govern
Deepak Chopra 2009-05-06 all of creation, this book shatters

the myth that success is the result of hard work, exacting plans, or driving ambition. In *The Seven Spiritual Laws of Success*, Deepak Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will want to read and refer to again and again.

Manufacturing Happy Citizens - Edgar Cabanas 2019-09-03

The imperative of happiness dictates the conduct and direction of our lives. There is no escape from the

tyranny of positivity. But is happiness the supreme good that all of us should pursue? So says a new breed of so-called happiness experts, with positive psychologists, happiness economists and self-development gurus at the forefront. With the support of influential institutions and multinational corporations, these self-proclaimed experts now tell us what governmental policies to apply, what educational interventions to make and what changes we must undertake in order to lead more successful, more meaningful and healthier lives. With a healthy scepticism, this book documents the powerful social impact of the science and industry of happiness, arguing that the neoliberal alliance between psychologists, economists and self-development gurus has given rise to a

new and oppressive form of government and control in which happiness has been woven into the very fabric of power.

A Course in Miracles - Foundation for Inner Peace 1976

Offers ecumenical meditations on love, perception, forgiveness, eternal life, and theoretical concepts in theology

Developing the Leader Within You -

John C. Maxwell 2005-08-20

Developing the Leader Within You is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same

principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. “Leadership is influence. That’s it. Nothing more; nothing less.” The Traits of Leadership. “Leadership is not an exclusive club for those who were ‘born with it.’ The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader.” The Difference Between Management and Leadership. “Making sure the work is done by others is the accomplishment of a

manager. Inspiring others to do better work is the accomplishment of a leader." God has called every believer to influence others, to be salt and light. Developing the Leader Within You will equip you to improve your leadership and inspire others. *Buddhism For Dummies* - Stephan Bodian 2011-03-08

From the outside, Buddhism seems like a bundle of contradictions wrapped inside a paradox. It is a religion without a god, a belief system without rules, and a faith that encourages its adherents to question everything, including its own teachings. You could spend a lifetime studying Buddhist texts and following its observances and still feel like you've only just barely scratched the surface. Yet, over the past 2500 years, this lovely religion that

preaches compassion, generosity, tolerance, selflessness and self-awareness has commanded the fervent devotion of hundreds of millions of people around the world who believe it to be the true path to enlightenment. If you're curious about Buddhism but feel intimidated by all the exotic jargon and strange trappings, this book is for you. Written by two leading American Buddhist teachers and scholars, it offers you a uniquely friendly way to explore the fascinating history of Buddhism and discover: Who Buddha was and his significance in world history and spirituality How the practice of Buddhism can enrich your everyday life How Buddha's teachings combine to create a path to enlightenment Daily observances and meditation practices How to fulfill your highest

potential through Buddhism In plain English, experts Jonathan Landaw and Stephan Bodian define the important terms, explain the key concepts and explore, in-depth a wide range of topics, including: Buddha's life and teachings and the evolution of the major Buddhist traditions How Buddhism works as a religion, philosophy of life and a practical approach to dealing with life's problems, all rolled into one The idea that the mind is the source of all happiness and suffering How the practices of wisdom and compassion can connect you with your inner spiritual resources Meditation and other core Buddhist practices and how they can affect your everyday life How to apply Buddhist teachings at each stage along the spiritual path Whether you're a searcher of truth, a

student of religions, or just curious about what's got Richard Gere and all the rest of those celebrity Buddhists so excited, Buddhism For Dummies is your intro to Buddhism basics.

Secrets of the Millionaire Mind - T. Harv Eker 2009-10-13

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some

people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations,

stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which

describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint.

Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book.

According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

Bullshit Jobs - David Graeber

2019-05-07

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs.

Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

The Code of the Extraordinary Mind - Vishen Lakhiani 2016-05-10

What if everything we think we know about how the world works--our ideas of love, education, spirituality, work, happiness, and love--are based on Brules (bullsh*t rules) that get passed from generation to generation and are long past their expiration date? This book teaches you to think like some of the greatest non-conformist minds of our era, to question, challenge, hack, and create new rules for YOUR life so you can define success on your own terms. *The Code of the Extraordinary Mind* is a blueprint of laws to break us free from the shackles of an ordinary life. It makes a case that everything we know about the world is shaped by conditioning and habit. And thus, most people live their lives based on limiting rules and outdated beliefs about pretty much everything--love,

work, money, parenting, sex, health, and more--which they inherit and pass on from generation to generation. But what if you could remove these outdated ideas and start anew? What would your life look like if you could forget the rules of the past, and redefine what happiness, purpose, and success mean for you? Not Just a Book, but a Movement Blending computational thinking, integral theory, modern spirituality, evolutionary biology, and humor, personal growth entrepreneur Vishen Lakhiani provides a revolutionary 10-point framework for understanding and enhancing the human self. You will learn about bending reality. You will learn how to apply unique models like consciousness engineering to help you learn and grow at speeds like never before. You will learn to make a dent

in the universe and discover your quest. This framework is based on Lakhiani's personal experiences, the 5 million people he's reached through Mindvalley, and 200 hours of interviews and questions posed to incredible minds, including Elon Musk, Richard Branson, Peter Diamandis, Ken Wilber, Dean Kamen, Arianna Huffington, Michael Beckwith, and other legendary leaders. In a unique fusion of cutting-edge ideas, personal stories, irreverence, and a brilliant teaching style, Lakhiani reveals the 10 powerful laws that form a step-by-step process that you can apply to life to shed years of struggle and elevate yourself to exceptional new heights. The 10 Laws to an Extraordinary Life This book challenges conventional ideas of relationships, goal-setting,

mindfulness, happiness, and meaning. In a unique fusion of cutting-edge ideas, personal stories, and humorous irreverence, and not to mention, humor and napkin diagrams, this framework combines computational thinking with personal growth to provide a powerful framework for re-coding yourself--and replacing old, limiting models that hold you back with new, empowering beliefs and behaviors that set you on the path toward an extraordinary life. A life of more happiness and achievement than you might have dared to dream possible. Once you discover the code, you will question your limits and realize that there are none. Step into a new understanding of the world around you and your place in it, and find yourself operating at a new, extraordinary level in every

way...happiness, purpose, fulfilment, and love. This Book Is a Living, Breathing Manifesto That Goes Beyond a Traditional Publication For those who want more, The Code of the Extraordinary Mind connects to a full on immersive experience including ways for you to dive into particular chapters to unlock additional videos or training and connect with each other and the author to learn via peer-to-peer learning networks.

The Mastery of Love - Don Miguel Ruiz
2010-01-18

Don Miguel Ruiz illuminates the fear-based beliefs and assumptions that undermine love and lead to suffering and drama in our relationships. He shows us how to heal our emotional wounds, recover the freedom and joy that are our birthright, and restore

the spirit of playfulness that is vital to loving relationships.

The Art of Happiness - Dalai Lama XIV
2009

Through conversations, stories, and meditations, the Dalai Lama shows us how to defeat day-to-day anxiety, insecurity, anger, and discouragement. Together with Dr. Howard Cutler, he explores many facets of everyday life, including relationships, loss, and the pursuit of wealth, to illustrate how to ride through life's obstacles on a deep and abiding source of inner peace. Based on 2,500 years of Buddhist meditations mixed with a healthy dose of common sense, THE ART OF HAPPINESS is a book that crosses the boundaries of traditions to help readers with difficulties common to all human beings. After being in print for ten

years, this book has touched countless lives and uplifted spirits around the world.

12 Rules for Life - Jordan B. Peterson 2018-01-16

The #1 Sunday Times and International Bestseller from 'the most influential public intellectual in the Western world right now' (New York Times) What are the most valuable things that everyone should know? Acclaimed clinical psychologist Jordan Peterson has influenced the modern understanding of personality, and now he has become one of the world's most popular public thinkers, with his lectures on topics from the Bible to romantic relationships to mythology drawing tens of millions of viewers. In an era of unprecedented change and polarizing politics, his frank and refreshing message about the value of

individual responsibility and ancient wisdom has resonated around the world. In this book, he provides twelve profound and practical principles for how to live a meaningful life, from setting your house in order before criticising others to comparing yourself to who you were yesterday, not someone else today. Happiness is a pointless goal, he shows us. Instead we must search for meaning, not for its own sake, but as a defence against the suffering that is intrinsic to our existence. Drawing on vivid examples from the author's clinical practice and personal life, cutting edge psychology and philosophy, and lessons from humanity's oldest myths and stories, *12 Rules for Life* offers a deeply rewarding antidote to the chaos in our lives: eternal truths

applied to our modern problems.

The Wild Book - Juan Villoro

2017-11-14

“We walked toward the part of the library where the air smelled as if it had been interred for years.... Finally, we got to the hallway where the wooden floor was the creakiest, and we sensed a strange whiff of excitement and fear. It smelled like a creature from a bygone time. It smelled like a dragon.” Thirteen-year-old Juan’s favorite things in the world are koalas, eating roast chicken, and the summer-time. This summer, though, is off to a terrible start. First, Juan’s parents separate and his dad goes to Paris. Then, as if that wasn’t horrible enough, Juan is sent away to his strange Uncle Tito’s house for the entire break! Uncle Tito is really odd: he has

zigzag eyebrows; drinks ten cups of smoky tea a day; and lives inside a huge, mysterious library. One day, while Juan is exploring the library, he notices something inexplicable and rushes to tell Uncle Tito. “The books moved!” His uncle drinks all his tea in one gulp and, sputtering, lets his nephew in on a secret: Juan is a Princeps Reader—which means books respond magically to him—and he’s the only person capable of finding the elusive, never-before-read Wild Book. Juan teams up with his new friend Catalina and his little sister, and together they delve through books that scuttle from one shelf to the next, topple over unexpectedly, or even disappear altogether to find The Wild Book and discover its secret. But will they find it before the wicked, story-

stealing Pirate Book does?

The Art of Life - Zygmunt Bauman
2013-05-20

In our individualized society we are all artists of life – whether we know it or not, will it or not and like it or not, by decree of society if not by our own choice. In this society we are all expected, rightly or wrongly, to give our lives purpose and form by using our own skills and resources, even if we lack the tools and materials with which artists’ studios need to be equipped for the artist’s work to be conceived and executed. And we are praised or censured for the results – for what we have managed or failed to accomplish and for what we have achieved and lost.

In our liquid modern society we are also taught to believe that the purpose of the art of life should be and can be happiness – though it's not clear what happiness is, the images of a happy state keep changing and the state of happiness remains most of the time something yet-to-be-reached. This new book by Zygmunt Bauman – one of the most original and influential social thinkers writing today – is not a book of designs for the art of life nor a 'how to' book: the construction of a design for life and the way it is pursued is and cannot but be an individual responsibility and individual accomplishment. It is instead a brilliant account of conditions under which our designs-for-life are chosen, of the constraints that might be imposed on their choice and of the

interplay of design, accident and character that shape their implementation. Last but not least, it is a study of the ways in which our society – the liquid modern, individualized society of consumers – influences (but does not determine) the way we construct and narrate our life trajectories.

Pilgrims - Elizabeth Gilbert
2009-11-23

The cowboys, strippers, labourers and magicians of Pilgrims are all on their way to being somewhere, or someone, else. Some are browbeaten and world-weary, others are deluded and naïve, yet all seek companionship as fiercely as they can. A tough East Coast girl dares a western cowboy to run off with her; a matronly bar owner falls in love with her nephew; an innocent teenager falls hopelessly

for the local bully's sister. These are tough heroes and heroines, hardened by their experiences, who struggle for their epiphanies. Yet hope is never far away and though they may act blindly, they always act bravely. Sharply drawn and tenderly observed, *Pilgrims* is filled with Gilbert's inimitable humour and warmth.

Emotional Intelligence - Daniel Goleman 1996

The groundbreaking bestseller that redefines intelligence and success Does IQ define our destiny? Daniel Goleman argues that our view of human intelligence is far too narrow, and that our emotions play major role in thought, decision making and individual success. Self-awareness, impulse control, persistence, motivation, empathy and social

deftness are all qualities that mark people who excel: whose relationships flourish, who are stars in the workplace. With new insights into the brain architecture underlying emotion and rationality, Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us.

The Four Agreements - Don Miguel Ruiz 1997-11-07

In *The Four Agreements*, bestselling author don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Translated into 48 languages worldwide “This book by don Miguel Ruiz, simple yet so powerful, has made a tremendous difference in how I think and act in every encounter.” – Oprah Winfrey “Don Miguel Ruiz’s book is a roadmap to enlightenment and freedom.” – Deepak Chopra, Author, The Seven Spiritual Laws of Success “An inspiring book with many great lessons.” – Wayne Dyer, Author, Real Magic “In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world.” – Dan Millman, Author, Way of the Peaceful Warrior

The Ultimate Happiness Prescription -
Deepak Chopra 2010-12-15
In The Ultimate Happiness

Prescription, bestselling author Deepak Chopra shows how to be happy in spite of living in difficult or trying times. By looking through the lens of our contemporary understanding of consciousness, combined with Eastern philosophy, he has created a set of principles for living with ease. The result is an inspiring and instructive journey that leads to a prescription for living life mindfully, with a light heart and with effortless spontaneity - a prescription only Dr Deepak Chopra could write. With words like 'depression' and 'recession' in the air, he underlines the importance of keeping an eye on the positive aspects of life and finding ways to experience joy no matter what is happening to you. This remarkably clear and helpful book explains how

to maintain an optimistic outlook and experience the benefits of having a happy heart and soul, no matter what the circumstances.

How To Overcome Emotional Dependency

- Walter Riso 2013-06-01

Being emotionally independent does not mean that you have to stop being loving, It is about being the master of your own feelings, faithful to your own principles and never handing over your personal dignity to someone else in exchange for something, not even in the name of love. Do I love or do I depend? If this is a question you ask yourself, then this guide, based on the bestseller, *To Love or to Depend?* is for you. In it, Walter Riso teaches us, in a practical manner and without too much theory involved, the steps we need to take in order to be able to love

without being emotionally dependent. He provides ideas and processes that will help you develop the right skills to deal with emotional dependency, prevent it and/or create a lifestyle aimed at emotional independence and affective detachment.

Laudato Si' - Pope Francis 2020-10-06
Laudato Si' 'is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

Ami, Child of the Stars - Enrique

Barrios 1989

Visiting a young boy on earth, an extraterrestrial delivers an environmental message of hope from the stars.

'*Los Invisibles*' - Richard Cleminson

A Course in Miracles - Helen Schucman, PhD 2019-03-20

A Course in Miracles is the acclaimed spiritual guide that teaches the way to universal love and peace is by undoing guilt through forgiving others. The "miracles" of the title refers to shifts in perception from fear to love, which fosters the healing and sanctification of relationships. Although expressed in terms of traditional Christianity, this life-changing work constitutes nonsectarian, universal spiritual

teachings. The three-part approach begins with an explanation of the course's theory and the development of the experience of forgiveness. The second consists of a workbook, comprising 365 lessons – an exercise for each day of the year – intended to influence students' perceptions. The third section presents a manual for teachers, in which the question-and-answer format provides responses for likely inquiries as well as definitions for terms used throughout the course. Written by Dr. Helen Schucman, a clinical and research psychologist, and edited by her colleague at Columbia University, Dr. William Thetford, from 1965 to 1970, A Course in Miracles has been translated into more than 20 languages and sold millions of copies around the world.

How to Take the Suffering Out of Love

- Walter Riso 2014-02-01

I have written this guide in order to help you create a space for reflection within your life and as a result develop emotional and cognitive strategies that can make you more resistant to love-sickness. Once you learn exactly why we absurdly equate love to suffering, you'll know how to avoid falling into the trap and learn to foster more adaptive schemes of behaviour.

Through the concepts of philosophy, psychology and his 30 years plus of experience as a therapist, in the 39 chapters of this book, Walter Riso guides us through a model or scheme of reflection to help us understand the characteristics of a love that is good (healthy, coherent, constructive) and one that is bad

(sick, incoherent, destructive).

Rich Dad, Poor Dad - Robert T.

Kiyosaki 2016-04-27

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into

studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Six Thinking Hats - Edward De Bono
2009-11-05

The classic work about meetings and decision-making. Meetings are a crucial part of all our lives, but too often they go nowhere and waste valuable time. In *Six Thinking Hats*, Edward de Bono shows how meetings can be transformed to produce quick, decisive results every time. The Six Hats method is a devastatingly simple technique based on the brain's different modes of thinking. The intelligence, experience and information of everyone is harnessed

to reach the right conclusions quickly. These principles have been adopted by businesses and governments around the world, ending conflict and confusion in favour of harmony and productivity. The Six Hats strategy will fundamentally change the way you work and interact. 'An inspiring man with brilliant ideas. De Bono never ceases to amaze with his clarity of thought.' Sir Richard Branson
Nonviolent Communication - Marshall B. Rosenberg 1999-01-01

A simple yet powerful method of communication for mediating conflicts and peacefully resolving differences at the political, professional, and personal levels.

Miracles Happen - Brian Weiss
2012-10-01

The New York Times bestselling author of *Many Lives, Many Masters*, Brian

Weiss MD delivers a powerful revolutionary teaching on the physical, emotional and spiritual healing available to all through embracing the reality of reincarnation. Filled with incredible true stories, Sometimes Miracles Happen is a remarkable teaching tool that can be used by all to improve their lives, to evolve along their spiritual paths, to experience more joy, love and happiness in the present moment, and to ultimately understand that there is no need to fear death as we are all immortal and innately spiritual beings. Dr Brian Weiss' conversion from skepticism towards reincarnation to confirmed belief has had a profound effect worldwide. Now Brian's readers complete the cycle as they explain how his works allowed them to

understand the 'space between lives'. Each story is used to illustrate practical lessons for how you too can comprehend this revelation and draws upon Brian's and his daughter Amy's practices as past-life regression experts. Our past lives are the key to a blissful, secure future and this book is the ultimate guide from two of its top practitioners.

Iron John - Robert Bly 2013-03-31
Robert Bly writes that it is clear to men that the images of adult manhood given by popular culture are worn out, that a man can no longer depend on them. *Iron John* searches for a new vision of what a man is or could be, drawing on psychology, anthropology, mythology, folklore and legend. Robert Bly looks at the importance of the Wild Man (reminiscent of the Wild Woman in *Women Who Run With the*

Wolves), who he compares to a Zen priest, a shaman or a woodman. 'This book needs to be read, I believe, not as a dry work of scholarship to be judged coolly by the mind, but as the work of a poet struggling to convey an emotional experience and lead us to what he has found within himself' Guardian 'Eclectic and unclassifiable. Iron John is a work whose mentors are the prophetic poets and crazies, William Blake and Walt Whitman' Sydney Morning Herald 'Important, timely, and powerful' New York Times

The 5AM Club - Robin Sharma

2018-12-04

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that

has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use

instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived

beautifully, *The 5am Club* is a work that will transform your life. Forever.

Thinking, Fast and Slow - Daniel Kahneman 2012

In this work the author, a recipient of the Nobel Prize in Economic Sciences for his seminal work in psychology that challenged the rational model of judgment and decision making, has brought together his many years of research and thinking in one book. He explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. He exposes the extraordinary capabilities, and also the faults and biases, of fast thinking, and reveals the pervasive influence of intuitive impressions on our thoughts and

behavior. He reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives, and how we can use different techniques to guard against the mental glitches that often get us into trouble. This author's work has transformed cognitive psychology and launched the new fields of behavioral economics and happiness studies. In this book, he takes us on a tour of the mind and explains the two systems that drive the way we think and the way we make choices.

Body Language - Allan Pease

What people say is often very different from what they think or

feel. Body language by Allan Pease is just what you require to know those feelings which people often try to hide.

Letting Go - David R. Hawkins, M.D., Ph.D. 2014-01-15

Letting Go describes a simple and effective means by which to let go of the obstacles to Enlightenment and become free of negativity. During the many decades of the author's clinical psychiatric practice, the primary aim was to seek the most effective ways to relieve human suffering in all of its many forms. The inner mechanism of surrender was found to be of great practical benefit and is described in this book. Dr Hawkins's previous books focused on advanced states of awareness and Enlightenment. Over the years, thousands of students had asked for a practical technique by

which to remove the inner blocks to happiness, love, joy, success, health and, ultimately, Enlightenment. This book provides a mechanism for letting go of those blocks. The mechanism of surrender that Dr Hawkins describes can be done in the midst of everyday life. The book is equally useful for all dimensions of human life: physical health, creativity, financial success, emotional healing, vocational fulfillment, relationships, sexuality and spiritual growth. It is an invaluable resource for all professionals who work in the areas of mental health, psychology, medicine, self-help, addiction recovery and spiritual development.
